

TITAN

TITAN SPECIALTY PRINT

Make your bike designs stand out even more with our specialty print vinyls.

Performance matters, but your ride should look the part too. Boost your graphics with our Silver Series, including silver and holographic finishes. Or go all in with our fluorescent Apex series for a look that cannot be missed.

TITAN SLICK SILVER | TSSX-90

Make your bike impossible to miss with our chrome silver print vinyl with micro-channel liner. Our vinyl conforms perfectly to any curve and is printable with all ink technologies.

TITAN HOLO SILVER | THSX-110

Want to stand out with bold prints? Our holographic effect vinyl with micro-channel liner is easy to print and apply, and is the perfect canvas to elevate your creative designs to a whole new dimension.

TITAN APEX SERIES

Looking for a durable fluorescent? These 170 micron cast PVC vinyls with micro channel liner deliver intense colour, excellent opacity and durability ride after ride.

Available in Yellow (TAYX-170), Orange (TAOX-170), Green (TAGX-170), Red (TARX-170) and Pink (TAPX-170).

TITAN Holo Silver | THSX-110

TITAN APEX Red | TARX-170
